Grammy-Nominated Singer/Songwriter

Karen Taylor-Good

“A little bit different – a lot more entertaining ”

“NASHVILLE BACKSTAGE”

— an intimate, behind-the-scenes look at Nashville’s recording and music business.

Karen began her career as a studio singer, singing on recordings with **Elvis, Dolly, Willie Nelson, George Jones, Al Green** and many others. She then became an artist in her own right, with 9 nationally-charted singles and an **ACM** ‘Best New Artist’ nomination. As a songwriter, she has garnered 3 #1 singles, had songs recorded by **Patty Loveless, Collin Raye, Al Jarreau, Melissa Manchester**, been honored with **CMA** and **Grammy** nominations, and is a two-time **SESAC** ‘Songwriter of the Year.’

Karen is a true Nashville music business ‘Insider.’ She’ll share behind-the-scene stories of working with the stars. Her presentation highlights the birth and growth of a #1 song through the use of video and audio clips, as well as live performances of those award-winning songs.

Karen’s program is guaranteed to uplift, motive and inspire your conference attendees!
